

WESTFIELD ST LUKES

# Community Plan 2022

## Our Community Vision

At Westfield St Lukes we share the local Albert-Eden Board's vision to have a thriving town centre and a prosperous growing local economy.

We acknowledge our role not only as an iconic local community hub but a place where people can always feel welcome, included, safe and at home.

We will continue to work with local organisations and services to help our community build resilience, particularly in support of families and youth and promoting inclusion and diversity.

## Our programs and activities

Our Westfield Living Centre creates meaningful human connections that help build thriving and inclusive communities. We do this by working directly with our community to 'discover, celebrate and contribute' to those things that are important and relevant. Our community and customers are at the heart of everything we do.

### Westfield Local Heroes

This program shines the spotlight on those people and organisations who drive positive impact for our community and environment. Westfield St Lukes has contributed \$120,000 in grants to our heroes and their organisations over 4 years. [www.westfield.co.nz/local-heroes](http://www.westfield.co.nz/local-heroes)

### Local Partnerships

To deliver meaningful initiatives that align with our community vision, we partner with many organisations. These include Tayla Jane Nasmith from Mummy's In Need which is a Westfield St Lukes Local Hero alumni organisation.

### Community Activities

In 2022, we will deliver a variety of large and small local initiatives that will drive meaningful connections. These include cultural celebrations, Monty Mornings, community morning teas and safety initiatives like Safer Plates run by the NZ Police.

### Customer Wellbeing

As Westfield St Lukes is an essential social and community hub in our local area, we are committed to ensuring it is safe, welcoming and inclusive. We do this by working closely with local authorities and emergency services and driving positive customer experiences in everything we do.

### Sustainability

We are committed to reducing our carbon footprint and making it easier for our customers, retailers and staff to make environmentally conscious decisions.

### Community Site

We provide a dedicated space at Westfield St Lukes near centre court for community-focused groups to connect with people in the local area. This site is available to not-for-profit sports clubs, community groups, charities and welfare organisations to raise awareness of their work or to fundraise.
