

# WESTFIELD GARDEN CITY Community Plan 2022

## Our Community Vision

At Westfield Garden City, we share the community's vision to provide an environment where diversity is celebrated and everyone is welcome.

We will strengthen our role in driving this vision by creating opportunities for the community to positively connect and celebrate its diversity.

We will also proactively work with community leaders to provide opportunities and support that help youth and families to thrive.

## Our programs and activities

Our Westfield Living Centre creates meaningful human connections that help build thriving and inclusive communities. We do this by working directly with our community to 'discover, celebrate and contribute' to those things that are important and relevant. Our community and customers are at the heart of everything we do.

### Westfield Local Heroes

This program shines the spotlight on those people and organisations who drive positive impact for our community and environment. Westfield Garden City has contributed \$120,000 in grants to our heroes and their organisations over 4 years.

### Local Partnerships

To deliver meaningful initiatives that align with our community vision, we partner with many organisations. These include MacGregor Lions Club and City Care Youth Group, who are both Westfield Garden City Local Hero alumni organisations.

### Community Activities

In 2022, we will deliver a variety of large and small local initiatives that will drive meaningful connections. These include cultural celebrations, free barbecue & basketball events for youth and ongoing collaboration with the local council.

### Customer Wellbeing

As Westfield Garden City is an essential social and community hub in our local area, we are committed to ensuring it is safe, welcoming and inclusive. We do this by working closely with local authorities and emergency services and driving positive customer experiences in everything we do.

### Sustainability

We are committed to reducing our carbon footprint and making it easier for our customers, retailers and staff to make environmentally conscious decisions. We support our retailers through incentives to collect organic waste and recycling programs.

### Community Site

We provide a dedicated space at Westfield Garden City near Hype DC for community-focused groups to connect with people in the local area. This site is available to not-for-profit sports clubs, community groups, charities and welfare organisations to raise awareness of their work or to fundraise.
