Our programs and activities

Our Westfield Living Centre creates meaningful human connections that help build thriving and inclusive communities. We do this by working directly with our community to 'discover, celebrate and contribute' to those things that are important and relevant. Our community and customers are at the heart of everything we do.

Westfield Local Heroes

This program shines the spotlight on those people and organisations who drive positive impact for our community and environment. Westfield Fountain gate has contributed \$120,000 in grants to our heroes and their organisations over 4 years.

Local Partnerships

To deliver meaningful initiatives that align with our community vision, we partner with many organisations, include The City of Casey.

Community Activities

In 2022, we will deliver a variety of large and small local initiatives that will drive meaningful connections. These include cultural celebrations, mental health seminars, free barbecue events for youth and ongoing collaboration with the local council.

Customer Wellbeing

As Westfield Fountain Gate is an essential social and community hub in our local area, we are committed to ensuring it is safe, welcoming and inclusive. We do this by working closely with local authorities and emergency services and driving positive customer experiences in everything we do.

Sustainability

We are committed to reducing our carbon footprint and making it easier for our customers, retailers and staff to make environmentally conscious decisions. We have upgrade the majority of the centres house lights to LED and are currently undertaking a solar panel installation project to provide green energy to the Centre.

Community Site

We provide a dedicated space at Westfield Fountain Gate near Jamaica Blue for community-focused groups to connect with people in the local area. This site is available to not-for-profit sports clubs, community groups, charities and welfare organisations to raise awareness of their work or to fundraise.
