

WESTFIELD CARINDALE

# Community Plan 2022

## Our Community Vision

At Westfield Carindale we share the vision of our city and the pride of our local community as a safe, family friendly, and peaceful place to live.

We will continue to be a vibrant, inclusive environment, providing entertainment, connection, and employment opportunities to current and new generations of residents. Westfield Carindale works with community leaders to support youth and families and health and wellbeing services in our community.

## Our programs and activities

At our Westfield Carindale Living Centre, we share the vision of our city and the pride of our local community as a safe, family friendly, and peaceful place to live. We will continue to be a vibrant, inclusive environment, providing entertainment, connection, and employment to new generations of residents. A true "living centre". We will support the community to address sustainability, at risk youth, mental health and other issues relevant to local families.

### Westfield Local Heroes

This program shines the spotlight on those people and organisations who drive positive impact for our community and environment. Westfield Carindale has contributed \$120,000 in grants to our heroes and their organisations over 4 years.

### Local Partnerships

To deliver meaningful initiatives that align with our community vision, we partner with many organisations. These include Beyond DV, Sunlight Centre and Care Kits for Kids, which is a Westfield Carindale Local Hero alumni organisation.

### Community Activities

In 2022, we will deliver a variety of large and small local initiatives that will drive meaningful connections. These include cultural celebrations, mental health seminars, Domestic and Family Violence outreach and ongoing collaboration with the local council.

### Customer Wellbeing

As Westfield Carindale is an essential social and community hub in our local area, we are committed to ensuring it is safe, welcoming and inclusive. We do this by working closely with local authorities and emergency services and driving positive customer experiences in everything we do.

### Sustainability

We are committed to reducing our carbon footprint and making it easier for our customers, retailers and staff to make environmentally conscious decisions. We partner with Scouts Queensland with Scout recycling centres in our Orange carpark and support our retailers to collect organic waste that is distributed to local farms as fertiliser.

### Community Site

We provide a dedicated space at Westfield Carindale near Big W for community-focused groups to connect with people in the local area. This site is available to not-for-profit sports clubs, community groups, charities and welfare organisations to raise awareness of their work or to fundraise.
